THE NORTH WEST TEXEL SHEEP BREEDERS CLUB

CONDITIONS OF SALE ENTRY

1. All sheep to be Maedi Visna accredited flocks and must be accompanied by the relevant documentation
2. All female sheep **MUST BE FULLY REGISTERED** and all male sheep to be fully registered or birth notified and thereby eligible for full registration with the Texel Sheep Society.
3. All sheep entries should clearly show whether the animal is single, twin, triplet, quad, etc. or ET and this information to be clearly shown in the Sale Catalogue.
4. Adult sheep entered at Shows and Sales under the auspices of the Texel Sheep Society must be bare clipped after 1st April each year.
5. All sheep will be subject to a club inspection. Any animal or group of animals, which do not reach the club standard, will not be eligible for sale. **The decision of the inspectors will be final** and any animal or group of animals failed will be removed from the sale and forfeit the entry fee and failure to accept the inspectors decision will result in the entire consignment being rejected. When an animal is referred to a Veterinary Surgeon, his decision will be final.
6. No dressing, artificial whitening, clipping or excessive use of dips on the fleeces of sheep will be permitted. An inspector may be present at the sale with the authority to disqualify any sheep, which in **his opinion**, are below a minimum standard with regard to breed type or are found to be contravening the Society Bye-laws, right up to the point of sale.
7. All sheep shall be penned by 3pm on Thursday 26th September, 2013.
8. The Society requires that all pedigree Texel sheep carry two different forms of identification, each clearly identifying the Society flock book number for that animal. Pedigree Texels can be identified with a tag plus a tattoo or two separate tags. Any animal with indistinct identification or carrying one form of identification will be rejected unless the Society has been notified in advance of the inspection and a dispensation certificate accompanies the animal to the point of inspection.
9. The categories of sheep offered for sale will be defined on the entry form.

10. If any animal offered for sale has had semen or embryos collected from it the number of embryos/amount of semen in storage **must** be declared at point of sale.
11. The purchaser shall have no right to claim damages from the vendor in respect of indirect or consequential loss such as (but not limited to) loss of profit or any other loss whatsoever.
12. The Texel Sheep Society reserves the right to blood sample any sheep and/or take wool samples for forensic testing.
13. Prize winners at the show prior to sale, which subsequently leave the ring unsold, forfeit all trophies and prize money awarded.
14. Once inspected, an animal must remain in the sale yard until offered for sale.
15. All sheep sold in guineas. All sheep sold at sales organised by the Society recognised Clubs will be subject to the Society levy amounting to 0.5% of the gross sale price; in addition a levy of 0.5% will be collected by the Club and the Auctioneers Commission.
16. All vendors must sign the declaration, agreeing to abide by the Club conditions of entry and conditions of sale, on the entry form.
17. There will be a minimum bid price of 100gns.
18. Committee reserve right to limit numbers if oversubscribed.
19. Entry Fee £7 per head plus VAT.
20. Scrapie Genotyping is no longer mandatory. If the Scrapie Genotyping is declared in the sale catalogue or at point of sale and subsequently found to be incorrect, for whatever reason, the purchaser shall have the right to return the animal and to claim the full purchase price from the vendor.
21. Sale will be conducted under General Conditions of Sale of LAM.
