STORE LAMB SALE

Clitheroe Auction Mart conducted their opening sale of Store Lambs. A good show of lambs, with trade better than anticipated. A lot preferring to concentrate on grass cutting while the weather has taken a turn for the better. Nice longer term keeping lambs sold to the mid to late £50s. While medium sized lambs are very good to sell, generally £57 to £61. Next sale is Monday 30th July, with a much larger entry anticipated. Top prices as follow;
