

### PURE BRED POULTRY & WATERFOWL SALE – SATURDAY 2<sup>nd</sup> AUGUST, 2014

A large sale considering the time of the year with over 450 lots in the poultry section and close to 150 in the deadstock, with a good entry of hatching eggs plus huts, incubators and poultry accessories. It was a very busy day all round. Trade for all stock was excellent, but especially for the top price on the day for a Hawaiian Geese from Mr M Snape selling for £180 to Mr C Cross from Nateby.

Ornamental Ducks dominated in the waterfowl section with some excellent specimens of Call Ducks on sale, which created a lot of attention amongst potential purchasers eventually selling for £55 a pair.

Auctioneer Jeremy Greenhalgh said **“Good quality waterfowl sold for exceptional prices, especially Call Ducks which seem to be popular. Copper Blue Marans known for laying extremely dark brown eggs created a stir and drew very good prices on the day.”**

The next bi-monthly catalogue sale will be on **Saturday 4th October** which is already attracting a lot of interest with entry forms now available from the website or main office.

**(Entries close Wed 24th September 2014)**
