

### PURE BRED POULTRY & WATERFOWL SALE – SATURDAY 4<sup>TH</sup> OCTOBER, 2014

A large sale considering the time of the year with over 550 lots in the poultry section and close to 100 in the deadstock, with a good entry of hatching eggs plus huts, incubators and poultry accessories. It was a very busy day all round. Trade for all stock was excellent, but especially for the top price on the day for a Pair of Ne-Ne Geese selling for £120 to Mr MA Gould.

Ornamental Ducks dominated in the waterfowl section with some excellent specimens of Mandarins on sale, which created a lot of attention amongst potential purchasers eventually selling for £120 a pair.

Auctioneer Jeremy Greenhalgh said ***“Good quality waterfowl sold for exceptional prices, especially Mandarins which seem to be popular. Copper Blue Marans known for laying extremely dark brown eggs created a stir and drew very good prices on the day.”***

The next bi-monthly catalogue sale will be on **Saturday 6th December** which is already attracting a lot of interest with entry forms now available from the website or main office.

**(Entries close Wed 19th November 2014)**
