

### PURE BRED POULTRY & WATERFOWL SALE – SATURDAY 5<sup>th</sup> OCTOBER 2013

With just over 500 lots in the poultry section and close to 100 in the deadstock (with lots including huts, incubators and hatching eggs) it was an exceptionally busy day all round. Following the success of last years combined sale with the Ribble Valley Annual show, again the day was a massive success and the packed auction area brought a real atmosphere to the place. Trade for all stock was superb, but especially for the game varieties such Old English and Asian. Top Price on the day was for a trio of Silver Duckwing sold by T Alty sold for £110 to Mr S Broomhall, Gelstone.

In addition, the soft feather bantams were also a hit with many young enthusiasts. A Trio of Columbian Wyandottes sold for £75 to G Knight from Out Rawcliffe.

Calls Ducks dominated in the waterfowl section with pairs selling to £58 and there were some excellent specimens of Ruddy Shellducks on sale which created a lot of attention amongst potential purchasers.

Auctioneer Joe Worthington said ***“Good quality large fowl pullets sold for exceptional prices especially Wyandottes which seem to be popular. Game birds drew the crowds and created a stir and drew the top price on the day.”***

The next bi-monthly catalogue sale will be on **Saturday 7<sup>th</sup> December** which is already attracting a lot of interest with entry forms now available from the website or main office. Also on this day is the Sale of High Quality Tack. Entry forms are available again on the website or main office
