RURAL & DOMESTIC BYGONES WITH PLANT, FARM MACHINERY & SMALL TOOLS

SATURDAY 20th SEPTEMBER, 2014

With an entry of over 1000 lots of small tools & equipment , 300 lots of machinery and 450 lots of rural & domestic bygones meant a really busy day all round. The weather duller with an isolated shower, but it did not dampen the enthusiasm of the buyers on ther day, the sale was extremely well attended. Small tools sold really well with a metal, Karcher Pressure Washer selling for £340. Larger machinery was in demand also, with the top lot of the day going to a JCB Loadall making £6,800.

In the Silverwoods section a Bennet Hand-Operated Petrol Pump sold well making £310, from J Lea, Cranage, and sold to C Shepherd, Leeming Bar, overall a splendid sale. Auctioneer Jeremy Greenhalgh said well looked after equipment created great interest especially trailers tyres, tanks & tractors all realising good prices, there was something for everyone. More required for next Sale on Sat 22nd November, please get entries in early for advertising
