RURAL & DOMESTIC BYGONES WITH PLANT, FARM MACHINERY & SMALL TOOLS

SATURDAY 22nd MARCH, 2014

With an entry of nearly 1000 lots of tools, 480 lots of machinery and 680 lots of bygones meant a busy day all round. The weather was terribly wet but the ever popular sale was extremely well attended, with buyers travelling as far as Isle of Man, Wales and Ireland. Small tools sold really well with a Hayter Lawn Mower selling for £320. Larger machinery was in demand also, with the top lot of the day going to a Ford 7610 with loader for £10,900. The ATV section seemed very popular with many of our buyers with a John Deere Gator selling for £7,200. In the trailer section, we had 30 of all marques entered, with an Ifor Williams 14ft Flat bed Trailer selling to £1,620 and a well-used Cattle Trailer £1,020.

In the Silverwoods section a large entry of memorabilia met a enthusiastic crowd with railway memorabilia selling particularly well, a railway stove made in Colne made £340, also catching the eye was a large brass bell, in original condition making £200.

Auctioneer Jeremy Greenhalgh said "Even though the weather was so cold and wet, it did not dampen the trade with good quality and well maintained equipment creating great interest and realising good prices, there was something for everyone. More required for next Sale in May!!"
