### RURAL & DOMESTIC BYGONES WITH PLANT, FARM MACHINERY & SMALL TOOLS

#### SATURDAY 22<sup>nd</sup> NOVEMBER 2014

A splendid entry of over 900 lots of small tools & equipment, 450 lots of machinery and 550 lots of rural & domestic bygones, this meant a really busy day all round. Clitheroe is now becoming ever so popular for selling small tools. A motorised small muck truck made £600 while a Hodge Clemco Sand Blasting Pot sold for £490. Larger machinery was in demand also, with the top lot of the day going to a very clean DB 885 making £2,800.

In the Silverwoods section a Rare American Metal Salemans Agricultural Machine Sample 'Original Melichar' sold well making £100, overall a great sale. Auctioneer Jeremy Greenhalgh said "small tools sold for great prices, there was great interest especially for flatbed trailers, muck spreaders & tractors all realising good prices, there was something for everyone."
