

PLANT, FARM MACHINERY & SMALL TOOLS WITH RURAL & DOMESTIC BYGONES SATURDAY 23rd MAY 2015

With a large entry of over 1000 lots of small tools & equipment, 450 lots of machinery and 550 lots of rural & domestic bygones, this meant a busy day all round. All lots were very good to sell with a super clearance rate. In the tools section a Small Engineers Laithe with tools sold for £500 and a Vixen Sand blaster with sand making £400. Larger machinery was in demand also, with the top lot of the day going to a very clean JCB Digger 803 making £4,400. A clean McHale Bale wrapper sold for £2200. Many more could have been sold.

In the Silverwoods section a Butcher Chopping Block sold well making £170 and an Triang Toys catalogue making £160, overall a great sale.

Auctioneer Jeremy Greenhalgh said "There was great interest especially for Plant, Landscape gardening equipment, and haymaking equipment all realising good prices, there was something for everyone. More entries are required as we are now going monthly"

More required for next Sale on Saturday 27th June. Please get entries in early for advertising.
