

PLANT, FARM MACHINERY & SMALL TOOLS SATURDAY 27th AUGUST 2016

A few less lots forward due to the number of local events. Top price of the day was in our Plant section for a Bomag Roller 1200 which realised £3,200. Included in the sale was a dispersal with items keenly contested. One of the top prices in this dispersal was a clean 36" Bobcat Skidsteer Loader used on a small holding, making £2,400.00.

In the tools section the top lot saw a Andrews Bluebird Scarifier & Verti Cutter sell for £200 and an Auto Turfman with Solid Tines reached £180. As you can see from the list below we had a tremendous clearance rate with lots making really good prices. Have a look round your sheds and yards lets turn unwanted items into money.
