BYGONES & MACHINERY SALE - SATURDAY 28th JULY 2012

Another good turnout on what turned out to be a mixed day of weather, with many taking the opportunity to get grass in. With just short of 1000 lots in the machinery section and close to 450 in the Bygones it was a busy day all round. Yet again the clearance rate was nearly 100%. With buyers from as far as Northumberland and South Wales the smaller tools sold really well. Larger machinery was in demand also, with a Bobcat 645 selling to £3850. A very clean Welger Baler used on the same farm since new made £2480.

Auctioneer Joe Worthington said "Today was an excellent sale, we could have sold so much more especially the larger items of machinery."
