

PURE BRED POULTRY & WATERFOWL SALE SATURDAY 2nd APRIL 2016

Another Fantastic day with buyers again travelling far and wide to Clitheroe Auction Mart for the special by monthly Pure Bred Catalogue Sale. Buyers from Oxford, Cornwall and Lanark attended the sale, all determined not to go home empty handed which shows in today's prices.

The sale got off to a flying start with over 250 lots of deadstock forward. Trade was good for eggs with such a wide variety on offer, this continued for the deadstock anything from drinkers to feeders to lamps to huts there was something for everyone. There was lots of second hand small incubators forward, selling to £65.00.

Trade for all stock was superb throughout, with Game section dominating a lot of the top prices of the day. A Pair of Blue Duckwing Old English Game made £200.00 and a Pair of American Pit Bantams sold for £160.00. The top price of the day was for the 3 Young Rheas 8 months old which were purchased for £270.00.

Auctioneer Jeremy Greenhalgh said ***"A super day all round, it was the Game Section which really did catch the eye with Pairs and Trios selling for very good Prices."***

The next bi-monthly catalogue sale will be on **Saturday 4th June** which is already attracting a lot of interest with entry forms now available from the website or main office.
(Entries close on Wednesday 18th May or at 500 cages)
