

PLANT, FARM MACHINERY & SMALL TOOLS SATURDAY 30th JULY 2016

A great sale for the machinery and bygones. We had just over 1800 lots of small tools, machinery and bygones it was a busy day. With such large numbers now coming forward we will not be accepting items on the morning of the sale for future sales. However if you want to drop items off prior to the Friday this can be arranged. Contact Jeremy for more info on this facility.

In the tools section the item which created a lot of attention was an Anvil Stand and Block selling for £180 and a Karcher Cleaner made £180. Larger machinery was in demand on the day especially diggers and farm machinery, with one lot going on to make £13,300 - the Volvo ECR 48C Mini Digger and Buckets. Another highlight on the day was a tidy Ford 5610 2 WD which had been on the same farm since new which made £6,900. As you can see from the list below we had a tremendous clearance rate with lots making really good prices. Have a look round your sheds and yards lets turn unwanted items into money.
