### RURAL & DOMESTIC BYGONES WITH PLANT, FARM MACHINERY & SMALL TOOLS

#### SATURDAY 30<sup>th</sup> NOVEMBER, 2013

The last Machinery sale of 2013 went out with a bang and was blessed with fine weather and a good turnout of eager buyers for the 850 lots of small tools 350 in the machinery section and close to 500 in the Bygones.

Small tools sold really well with a Stihl saw selling for £270, and an old vintage mower selling for £160. Larger machinery was in demand also, with the top lot of the day going to a clean 60HP loader tractor selling to £10,100. Plus a well looked-after, Hitachi digger, made £7000.

In the Silverwoods section a large entry of memorabilia met a enthusiastic crowd with memorabilia selling particularly well in particular a hand operated petrol pump making £280.

Auctioneer Jeremy Greenhalgh said "This sale is becoming very popular with good quality and well maintained equipment created great interest realising good prices, there was something for everyone."
