

HORSE & TACK SALE SATURDAY 5th MARCH 2016

The adverse weather on the Friday prior to the sale did cause panic with many vendors worrying the sale would go ahead. All worries were quashed with a buoyant trade for the tack forward. A good entry with over 600 lots of tack and a variety of horses of different breeds forward. With such a variety of items in the tack section, there really was something for everyone. There was only a small entry in the horse section, topping the trade was a Black Mare which sold for 290 guineas. The tack section was very good, with many good prices achieved especially saddles. Topping the day was a nice Pessoa 17" Medium width Saddle making £200.00 while a Brown KES Dressage Saddle 17" made £145.00.

Next sale is Saturday 7th May 2016
