Another busy Saturday with over 550 lots of poultry and close to 60 in the deadstock section. Lots included small cabins, carrying crates, incubators and poultry drinkers. A good turnout of people for the last bi monthly sale of 2014 saw a buoyant trade throughout. Top price on the day went to R Turnbull, for a super Trio of Blue Double Laced Barnevelders selling to N Armitage, Keighley for £130.

Poultry Auctioneer Jeremy Greenhalgh said "Good quality trios sold for premium prices especially ornamental waterfowl, soft feather large fowl Rhode Island Reds and Light Sussex sold particularly well averaging over £25 per head throughout. We could have sold so much more especially the soft feather large fowl."
