

PURE BRED POULTRY SALE SATURDAY 6th JUNE 2015

A smaller sale due to the time of year with just over 350 lots in the poultry section and over 250 in the deadstock (with lots including huts, incubators and hatching eggs of all breeds) it was a busy day all round.

Trade for all stock was brilliant, especially for a Trio of Silver Duckwing from T Altby selling to J Gleave for £110. A splendid Pair of young Indian Blue Peafowl from C Bennett sold for £100 to breeder J P Bradley, Altham. The soft feather bantams were also a hit with many young enthusiasts which was great to see. A Trio of Lemon Cuckoo Wyandottes sold for £80.

There were some excellent specimens of Golden Pheasants on sale which created a lot of attention amongst potential purchasers eventually selling for £75 a pair.

Auctioneer Jeremy Greenhalgh said ***“Good quality trios of bantams sold for exceptional prices especially Wyandottes which seem to be popular. Other highlights included Light Sussex Bantams.”***

The next bi-monthly catalogue sale will be on **Saturday 1st August** which is already attracting a lot of interest with entry forms now available from the website or main office.
