SUCKLER BREEDING CATTLE SALE THURSDAY 25TH APRIL 2013

A great sale today, with over 60 cows and calves forward for the special annual sale. Demand was very good as people looked for quality young replacements for their herds, even though grass is still in short supply and the price of fodder is at record highs. The annual consignment from J & S J Clarkson, a run of 20 British Blue Heifers with smart calves at foot caught the eye selling up to £1540. The trade topped at £1760 for a British Blue cow and super heifer calf with show potential from F B Marsden, West Bradford.

Strong bulling heifers from R S Howard, Guide which were all pure Limousin 12month old sold for £980 to Richard Critchley, Hutton. With two strong Limousin stock bulls both well bred with pedigrees, there was plenty of interest both selling for over £2000 each.

The next sale will be Thursday 2nd May, the Fortnightly sale of Store Cattle.
