PRIMESTOCK - TUESDAY 18th SEPTEMBER 2012

1096 PRIME LAMBS

A decent show of lambs, with a few less forward than previous weeks. Lambs are slightly down on the week as anticipated, this is very much in line with all markets, approximately £6 per head back on average. Good tight skinned meaty 39 - 42kg lambs made up to 184ppkg. Export lambs remained good to sell with many pens around the 165-175ppkg mark. A number of under finished lambs looked less money, making a store price on the day.
