PRIMESTOCK - TUESDAY 20TH NOVEMBER 2012

561 PRIME LAMBS

A smaller show of this week, with lambs slightly up on the week, however very much in line with everyone else. The best quality, tight skinned meaty 39 - 42kg lambs sold well. Quite a lot of leaner lambs short of finish today were a mixed trade, which definitely made a difference to the averages. A lot of hill bred and store types would be slightly cheaper. The overall SQQ average was 147ppkg on the day and top prices were as follows;
