### PRIMESTOCK - TUESDAY 5<sup>TH</sup> FEBRUARY 2013

#### PRIME HOGGS

A decent show of Hogs on what turned out to be a busier day given the weather. The best quality, tight skinned meaty 39 - 42kg lambs sold really well. A lot of hill bred types forward however this had no reflection on the average being 14pence/kg up on the week. Good export lambs around that 165ppkg plus. The overall SQQ average was 154ppkg on the day equating to £62.96 per head which is very much in line with national averages and top prices were as follows;
