VINTAGE TRACTOR SALE

SATURDAY 19TH MAY 2012

A FANTASTIC selection of more than 80 tractors, from all marques and in conditions from tatty to concours, were eagerly bid for by a large crowd at Clitheroe Auction Mart's latest vintage and classic tractor auction.

Auctioneers Joe Worthington and Jeremy Greenhalgh sold the vehicles and the top price of the show at this increasingly popular biannual event was a Ford 7810 Series 3, Full Spec, having 1 owner from new which raised £11,000.

Prior to the tractors, more than 400 lots of tractor parts, accessories and barn engines were auctioned, with the indoor hall packed with buyers keen to get their hands on that all-important part to add to their collection or to finish an ongoing restoration. Also on offer were over 150 lots of implements and trailers, featuring harvesting equipment, manure spreaders and ploughs. There was lots of interest in a Bamford realising £400.

The next vintage and classic tractor auction at Clitheroe Auction Mart will take place on Saturday 15th September.
